To Whom It May Concern:

Viajeros is a group of 15 KIPP Booker T. Washington high school students who will be traveling to Costa Rica for 7 days during the summer of 2018. The trip is designed to provide students with a unique opportunity to enhance their Spanish language development as well as broaden their worldview. Each student attending has undergone a rigorous application process requiring him or her to obtain recommendations, write essays, and maintain a high grade point average. These students show a high aptitude for learning and a commitment not only to their education, but also to their community. We are proud to have them represent our school and we know that they will return and enrich our community with their experience.

However, in order for this trip to be obtainable for these students, we need to raise \$11,000. We are asking the New Orleans community to come together and help support these student delegates. Monetary (or itemized) donations of any sum are essential in order to guarantee this trip. Any way you can help to support our students is much appreciated. **We will provide a receipt with proof of your donation for tax purposes.**

**For your \$100 donation, we will send you a postcard from Costa Rica.**

**For your \$200 donation, we will send you photos from our trip.**

**For your \$300 donation, we will send you a small souvenir from our trip.**

**For your \$500 donation or more, we will send you a small souvenir, promote your company on our social media channels and print your company logo on our promotional materials and t-shirts.**

**\*All checks should be made payable to KIPP Booker T. Washington High School. Donations can be mailed to:**
